Board of Directors

Tom Gates

Tom Gates currently serves as the Deputy Executive Director of Operations and Programs for the Metropolitan Washington Council of Governments (MWCOG) where he oversees administrative, environmental, and public safety programs for the regional organization. Prior to joining MWCOG, Gates served as County Administrator for Roanoke County, Virginia where he was the chief administrative officer responsible for directing government services. Gates has thirty-five years of municipal government experience, working at the local level with elected officials, citizens and employees to improve the functioning of government and delivering quality service to citizens. In addition to Roanoke County, his local government service includes positions with the City of Alexandria, Virginia where he served as Deputy City Manager and Chief of Staff, Assistant County Administrator for Spartanburg County, South Carolina, and service as a City Administrator in both South Carolina and Georgia. Gates holds a Bachelor's Degree in Government and Politics from the University of Maryland and a Master's Degree in Public Administration, jointly awarded by the University of South Carolina and Clemson University. He has worked as adjunct faculty for the University of South Carolina Upstate where he taught courses in public administration and public finance. Gates lives in Alexandria, Virginia with his wife Laura. They have two sons, both of whom attended Alexandria City Public Schools and are currently enrolled at Virginia Tech in Blacksburg, VA.

Kate Harbour

Kate is a sophomore at TC Williams High School interested in advancing positive efforts to support the health and well-being of the City of Alexandria. She served as a Page at the Virginia House of Delegates during the 2020 Session and knows how important groups like SAPCA are to help policy makers understand what is going on in the community. She believes her experiences will continue to allow her to inform SAPCA's efforts to engage the young people of Alexandria.
